HEAD

Everyone on this earth belongs to God. All are made in his image. Therefore, it is right that all men and women, ‘from the rising to the setting of the sun’, should know the God to whom they belong. The only desire of our God is that all should know and love him and find in him the fulfilment that they seek. Even a pagan king like Cyrus is used to further this knowledge of God - just as Jesus uses Caesar’s head to make the point again: all belong to God, and the mission of all who acknowledge that belonging is to help others to find it. This is exactly what we see Paul, Silvanus and Timothy doing, as they write to the people of Thessalonica, to whom they carried the Good News of Jesus Christ. So, something we should do: May your praise of GOD flow from your appreciation of all that GOD has given to you! When was the last time you spent time counting your blessings? Each of us has been given so much by GOD. Yet, it is so easy to take the divine gifts for granted. We credit ourselves for the positive experiences in our life. Yet the only thing that we can take full credit for is our own sinfulness. Everything else comes directly or indirectly from GOD. GOD can even bring GOOD out of tragedy and problems. GOD can work wonders for us, even through unbelieving peoples. We need to lift up our continual thanks and praise to GOD.
